

## Mineral Fact Sheet

<b>Basic cobaltous carbonate monohydrate</b>	
<b>Formula:</b>	2 CoCO <sub>3</sub> x 3 Co(OH) <sub>2</sub> x H <sub>2</sub> O
<b>CAS No.:</b>	51839-24-8
<b>EC No.:</b>	208-169-4
<b>Feed Additive Register:</b>	E 3
<b>Manufacturing Process:</b>	
<b>Characteristics:</b>	
Cobalt	50 % min.
Appearance	pink to violet powder
<b>Handling, storage, toxicity:</b>	
Avoid dust formation, avoid inhalation and contact with eye and skin.	
Store dry and cool in protected container. Follow instructions in safety data sheet.	
<b>Specific information:</b>	
Dangerous good, ADR transport UN 3077 class 9	
Feed operators using Co compounds need to be registered according Reg. 183/2005	
Conditions for use are laid down in Reg. 1334/2003
